

## **8. Planning:**

- 2 Farm Lane - erection of double garage, was refused by CDC Conservation Officer. Appeal has been submitted. Decision awaited.
- 2 Farm Lane - crown reduction of Sycamore. Has been approved.
- 26 The Street - Silver birch height reduction. Has been approved.

## **9. Playing Field:**

- Councillors acknowledge the hard work of Deborah Hampton and Pete Mustoe.
- Wicksteed Inspection points - CA explained key elements for repair - rubdown and paint, gate closure, benches, rubber matting under swings, landing area under climbing frame.
- Agreed that most pressing requirements can be organised by PC and willing villagers. CA will organise a work party with assistance from TC.
- Councillors agreed to reassess post-community work and winter period to decide if further work required/new equipment.
- CA reported signage required in the park for emergency procedures and directions. RD agreed to use Wicksteed report to produce updated/renew signage to fulfil requirements.

## **10. Roads, flytipping, bad weather, info for snow form received 4.6.20 from Highways, Village Emergency Plan:**

- JU reported that potholes in Whitewater Lane have been promptly repaired after reporting.
- JU has reported the rusted sign on the corner of the pub has been reported and has a case. The sign has yet to be repaired.
- Noted upcoming closure of Whitewater Lane 6/7 October 2020.
- CA noted that fly tipping that he reported on the corner of Bath Road was removed promptly.
- CA is progressing Winter Plan and will also work on the Emergency plan. RD has the hardcopy of the Emergency Plan and JU offered to digitise and update old contact details with current.

## **11. AOB: Nothing reported.**

## **12. Date of next meeting:**

- December 7th 2020. 1930 at Leighterton School unless CV19 restrictions dictate otherwise
